## Sponsorship Letter

North Durham Volleyball Club is a volleyball club that was established this year to provide a lower cost alternative for volleyball athletes to play in USAV Junior Olympic volleyball tournament style play. Our organization supports and enhances the volleyball programs available in local schools, instilling values of team play, individual discipline, and work habits which will serve junior volleyball players well, both on and off the court. Our goal is to provide a competitive atmosphere that also builds core team values, a hard work ethic, character, and many other things in the midst of volleyball competition.
